

Log Styles

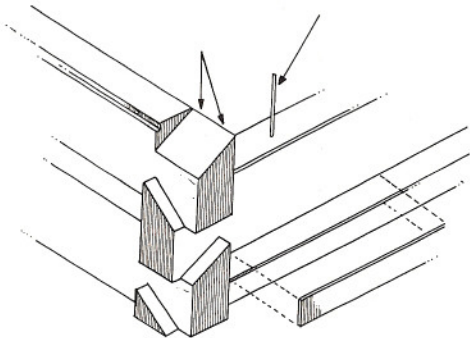

D LOG

Features a flat interior, super easy to dust and clean, with a round exterior. Mortised corners enhance the stability of the log wall.

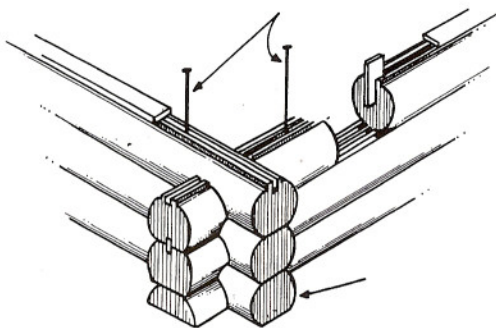

6 x 12

Contemporary: Dovetail corners and chink ledges or V-grooves interior and exterior. The choice is yours.

6 x 12

Traditional: Dovetail corners and hand chinking puts this log style in a class by itself, an old and authentic look.

8" Round

Saddle notch corners and a western look accent this log.
